

## Your cash bonus

Dear Member,

You may be entitled to a cash bonus from Velliv Foreningen.

Your bonus reflects the size of your pension savings with Velliv and will be automatically transferred to your NemKonto at the end of May. To receive the bonus, you must have a NemKonto. The bonus is taxable, and we will report the amount to SKAT (the Danish Tax Agency), so no further action is required from you.

You can find the details of your bonus in the personal letter sent to you via e-Boks or by postal mail.

If you have other arrangements with Velliv, Pension & Livsforsikring A/S, you may have earned VellivKroner. If this is the case, you will hear from Velliv, Pension & Livsforsikring A/S.

Kind regards  
Velliv Foreningen

## Velliv Foreningen works for good, balanced lives

### Caregivers at work

We support initiatives that create a better balance between work and life for employees who privately care for relatives, for example for children experiencing anxiety.
